Advance on Costs

The advance on costs is intended to cover the arbitral tribunal's fees and expenses, as well as the ICC administrative expenses (Article 37(2) and Article 1(4) of Appendix III to the Rules).

The Court fixed an advance based on an amount in dispute partially quantified at US\$ 4 636 690 (*i.e.*, EUR 4 100 000 for the principal claims) and one arbitrator. Depending on the evolution of the arbitration, the Court may readjust the advance on costs (Article 37(5)).

We enclose the Financial Table. We also enclose Payment Requests that indicate the amounts to be paid and when such payments are due.

As the provisional advance has been fully paid, we are transmitting the file to the arbitral tribunal today (Article 16). The parties should correspond directly with the arbitral tribunal and send copies of their correspondence to the other party/parties and to the Secretariat in electronic form only. The parties are encouraged to use ICC Case Connect for communications and document-sharing and are reminded that hard copies should not be sent to the Secretariat.

Yours faithfully,

Hjördis Birna Hjartardóttir
Counsel
Secretariat of the ICC International Court of Arbitration
